Members who use our convenient payroll deduction or Direct Deposit options for their loans will skip an entire month's worth of payments (i.e. 4 payments for loans paid weekly). Your payroll deduction will be deposited in your savings account instead.

When you Skip A Payment, your loan due date will be advanced, so you won't have to worry about late payment problems or adverse affects to your credit history. Your loan will continue to accrue interest during the month, but no payment will be due!

To skip a payment, just complete the form below and send it to the credit union AT LEAST 10 DAYS BEFORE YOUR LOAN IS DUE. Your loan must be current to participate.
